Subject: Re: Request for ATSDR assistance deployment

Roger that Sams. If this is Colorado our ATSDR folks in denver will be POC. In meantime, will need to pull in Poison Control in NM and Colorado. I will stand by for additional support.

> On behalf of RRT Co-Chair David Ostrander, I am requesting ATSDR deploy resources to assist the OSC working the Gold King Mine Release in Durango, CO. Specifically we seek technical assistance via one ATSDR environmental health initial person to help UC with human health threat assessment and analysis, and exposure prevention and mitigation. This person would deploy for approximately one week but, if assistance is needed longer, we would expect additional personnel to rotate to the site, preferably with opportunity to overlap/transition to the incident.
